

ARCHBISHOP'S ANNUAL APPEAL 2012

AAA Goal: \$31,138.00
Amount Pledges as of 02/03/12 \$ 8,524.00
Number of Donors 34

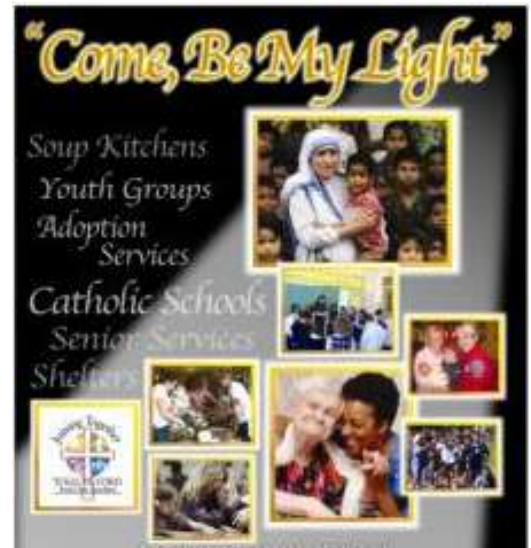

Why does it make sense to make a pledge to the 2012 Archbishop's Annual Appeal?

- It funds a wide array of ministries in the Archdiocese of Newark .
- It assists in the formation of our future priests.
- It supports our Catholic Schools .
- It supports ministries which sooner or later we ourselves will directly benefit from.

Furthermore,

- If our Parish of St. Peter's exceeds our goal of \$31,138, we will receive a rebate check from the Archdiocese from a segment of the excess amount.
- We have all of 2012 to make good on our pledge (no need to send in payment right now), either as a lump sum or in installments.
- Every donation to the Archbishop's Annual Appeal is tax-deductible.
- Payments can also be made by Credit Card (using tear-out section of the brochure found in Church).
- You may check if your employer is interested in making a "Matching Gift" to the Archbishop's Annual Appeal
